

The Audi A8

Pricing and Specification Guide
Valid from October 2011

Personalising your Audi A8

This guide has been designed to help you tailor and price your Audi A8 quickly and logically. At the back, you will find information on CO₂ emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A8 online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The Audi A8 – state-of-the-art luxury

As you might expect at the top of the range, the Audi A8 combines timeless elegance with the latest Audi innovations. It has a new level of luxury, thanks to exquisite attention to detail and an extensive level of standard specification – adaptive air suspension, luxurious seats upholstered in Valcona leather, Audi Music Interface and HDD-based navigation including MMI Touch.®

There's also pre-sense basic, which provides you with comprehensive preventive protection. This advanced safety system can detect an imminent collision and tighten the seat belts, close the sunroof and windows, and activate the hazard warning lights to alert other drivers.

You'll also be able to take advantage of predictive route data as standard, which links to our HDD Satellite Navigation system to identify bends, junctions and motorway stretches. The system then adjusts the transmission, lights and even the adaptive cruise control (if fitted) to provide optimum safety and comfort.

The Audi A8 is built on the aluminium Audi Space Frame.® Along with new, high-performance engines such as the 3.0 TDI® and 4.2 TDI®, it's helped to reduce CO₂ emissions across the Audi A8 range by approximately 20%. And, of course, you'll benefit from even more miles per gallon. With its refined comfort and sophisticated technologies like optional night vision, the Audi A8 is how Audi sees twenty-first century luxury car travel.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to ‘breathe’ more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. For the A8 we’ve also developed TFSI®, which combines supercharging with FSI technology, giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. The Audi A8’s 4.2 TDI® engine uses common-rail technology to produce more power, as well as increasing efficiency. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which cuts down emissions.

Transmission

8-speed tiptronic®

The Audi A8 comes with an advanced 8-speed tiptronic® transmission system which reduces both fuel consumption and CO₂ emissions. It converts high-torque engine power into both sporty performance and operating convenience, with crisp, fast gear changes, reduced weight and an optimised gearshift strategy. More spontaneous gear changes are a particular benefit, especially when downshifting. Both in the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic® respond efficiently to every driver input, helping to prevent unwanted upshifts when cornering. Furthermore, this advanced gearbox can be operated entirely in manual mode, enabling the driver to change gear using the paddles, simply by pressing a button on the steering wheel.

quattro®

It's the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi A8 so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

In the Audi A8, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles, depending on weather conditions, road surface and gradient. This leads to greater flexibility and an enhanced, sportier drive.

What's more, with the 4.2-litre TDI® engine, you'll get the quattro Sports differential as standard. Put simply, this delivers more stability and an even more dynamic driving experience, especially on tight corners or when there is a weight shift under heavy braking.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO₂ and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A8.

Aerodynamics

A car's shape can have a big impact on its efficiency. It's why we've worked to make the A8 as aerodynamic as possible. By including technology such as adaptive air suspension that responds to changes in speed, we've ensured it has the lowest drag coefficient in its class. It means that the A8 becomes more aerodynamic at high speeds, while still offering an exceptional ride quality.

TDI® and FSI®

Inside the engine of the Audi A8 you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI® and FSI®, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

Recuperation

With a recuperation system, like the one in the Audi A8, the kinetic energy used in braking is converted into useful electrical energy. This results in a fuel saving of up to 3%.

Audi Space Frame®

The Audi Space Frame® gives the Audi A8 perfect balance on the road. As well as providing protection, its lightweight construction also allows the A8 to accelerate faster and release fewer CO₂ emissions.

Automatic Start-Stop function

In heavy traffic, your car still uses fuel and releases CO₂, even when it's stationary. The automatic Start-Stop function counteracts this problem by switching off the engine when your car comes to a standstill. As soon as you touch the clutch, the car restarts. In conjunction with 3.0 TDI®, it helps save up to 0.4 litres of fuel every 100km.

SE model equipment

All A8 SE models have the following items of standard equipment

Engine and transmission

8-speed tiptronic transmission with electronically-transmitted shift information and Dynamic Shift Programme (DSP)

Recuperation for optimal energy utilisation

Automatic Start-Stop function for greater fuel and CO₂ efficiency. Includes energy saving tips in Driver's Information System (3.0 TDI only)

Wheels, tyres and suspension

18" x 8J '7-arm' design alloy wheels with 235/55 R18 Y tyres

Adaptive air suspension with four selectable modes (Auto, Dynamic, Comfort and Lift) selectable through MMI

Audi drive select with three pre-configured modes (Comfort, Auto, Dynamic)

Locking wheel bolts

quattro permanent all-wheel-drive

quattro Sports differential (standard on 4.2 TDI only)

Space-saver spare wheel

Seats

Valcona leather

Electrically-adjustable 4-way lumbar support

Electric front seats with memory (12-way adjustable), including adjustment for:

- forward/backwards position
- seat cushion height
- seat cushion tilt
- backrest
- seat-belt height
- head rest
- Memory for driver's seat, passenger seat, steering wheel and door mirror

Heated front seats with variable temperature adjustment

Audio and communication

Audi Music Interface (AMI) – Universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod mini, iPod nano, iPod photo, iPod video, iPod touch). Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides charging function (dependent on device)

Audi sound system

- 6-channel amplifier
- 180-Watt amplifying capacity
- Two 200mm speakers and two tweeters in front doors
- 100mm front centre speaker
- 2-way system with 168mm wide speaker and tweeters in the rear
- 260mm subwoofer located in the parcel shelf

18" x 8J '7-arm' design alloy wheels

MMI controls featuring MMI touchpad

Satellite Navigation system – HDD-based

- 2x SD card readers
- 3D and topographical mapping display including advanced 3D building display in select cities
- 7-digit postcode recognition
- 60GB hard drive, 20GB of which can be used to store up to 8,000 songs
- Advanced speech recognition
- AM/FM tuner with TP memo function
- High resolution (840x480) 8" colour TFT display
- MP3 compatible front-loading CD/DVD player
- Route planning and guidance using voice, pictogram and 3D mapping

MMI Touch. A touch-sensitive control panel which can be used to enter letters and numbers, scroll lists and easily move around navigation maps

DAB digital radio

Colour Driver's Information System, with 7" high-resolution screen

Mobile telephone preparation – Bluetooth interface

Safety and security

Audi parking system plus. Aids parking by acoustically and visually indicating distances to obstacles in front of and behind the Audi A8

3-point seat belts for all seats, front with electric height adjustment and memory function

Airbags, full size, for driver and front passenger

Audi backguard head restraints

Audi Space Frame (ASF) construction with aluminium chassis

Automatic headlight range adjustment**Cruise control**

Door mirrors – electrically-adjustable, folding, heated and auto-dimming

Double glazing. Improved insulation against outside noise and break-in protection

Electrically-adjustable steering column with memory and adjustment for height and reach with auto easy-entry-and-exit function

Electromechanical parking brake

Electronic Differential Lock (EDL) traction control

Electronic Stability Program (ESP) with two stage deactivation

First aid kit with warning triangle

Front passenger airbag deactivation**Headlight washers**

ISOFIX child-seat mountings for front passenger seat and outer-rear seats

LED rear lights

Light and rain sensor package. Includes automatic headlight activation, automatic windscreen wipers, coming home/leaving home function and sun band for windscreen

Pre-sense basic, which provides you with comprehensive preventive protection. This advanced safety system can detect an imminent collision and tighten the seat belts, close the sunroof and windows, and activate the hazard warning lights to alert other drivers

Rear fog lights

Servotronic steering – power steering with speed-dependent control

Sideguard head airbag system

Thatcham category 1 alarm and immobiliser

Tool kit**Tyre pressure loss indicator**

Xenon Plus headlights with LED daytime running lights and all-weather function

Gear selector lever and MMI controls

Xenon Plus headlights with LED daytime running lights

SE model equipment continued

Interior equipment

4-spoke multi-function steering wheel with gear-shift paddles

Auto-dimming rear-view mirror

Analogue clock in lower inlay

Comfort front centre armrest.

Split for driver and passenger with fold-up storage compartments; horizontally and vertically adjustable

Cloth headlining (colour dependent on chosen upholstery) – please see page 36

Climate control with sun sensor

- Air quality sensor
- Air humidity sensor (internal and external)
- Automatic defrost function
- Cooled glove compartment
- Choice of three different climates
- Rear ventilation for footwell, centre and B-pillar
- Separate air distribution, temperature controls and display for driver and front passenger
- Sensitive moisture detectors to help avoid misted windows
- Temperature controls for footwell on driver and front passenger side

LED ambient lighting package:*

- Colour choice (Ruby, Ivory or Polar) can be controlled via MMI
- Light strip between grab handles, 2 colours
- LED footwell lights (front and rear), 2 colours
- LED entry lights (x4)
- Illuminated door pockets, 2-colour LED
- Light guide for front and rear doors, 3-colour LED
- Illuminated centre console giving 'floating' effect, 3-colour LED
- LED active door warning lights (x4)
- Roof module, 2-colour light strip/3-colour reflected light

4-spoke multi-function steering wheel and Satellite Navigation system – HDD-based†

LED ambient lighting package

*2-colour: Polar or Ivory. 3-colour: Polar, Ivory or Ruby.

†Actual finish of multi-function steering wheel may differ from image shown.

Extended aluminium look in interior

- Brushed aluminium silver switches in lower inlay, centre console and door
- Air vent slats and thumbwheels in chrome trims
- Aluminium inlay on folding compartment in door armrest
- Stainless steel boot sill protector

Front and rear floor mats**Front passenger storage**

- Cooled glove compartment
- Door storage pockets with space for 1-litre bottle
- Front footwell net
- Glasses holder integrated into roof module
- Parking ticket holder in sunvisor
- Storage compartment in door armrest with space for small umbrella
- Two cup-holders in centre console

Front sun visors with illuminated vanity mirrors

Keyless go

Lower inlays in highly-polished black

Upper inlays in Walnut brown

Luggage compartment pack**Rear passenger storage:**

- 12V socket
- Centre armrest with storage compartment and two cup holders
- Door storage pockets
- Luggage net
- Two integrated bag hooks
- Umbrella holder

Exterior equipment

Body coloured door mirrors, handles and bumpers

Aluminium trim strips framing windows

Twin exhaust pipes, one on each side

Metallic or pearl-effect paint

Automatically opening boot lid

Windscreen washer jets, heated

Upper inlays in Walnut brown and lower inlays in highly-polished black

Keyless go

SE Executive model equipment

In addition to SE model equipment

Basic RRP
£2,170.83

Total RRP inc VAT
£2,605.00

Wheels, tyres and suspension

19" x 9J '10-spoke Y' design alloy wheels, with 255/45 R19 Y tyres

Safety and security

Audi parking system advanced. Aids parking by acoustically and visually indicating distances to obstacles with guiding lines. Measured by sensors and reversing camera

Interior equipment

Lower inlays in brushed aluminium

Advanced key – keyless entry and keyless go

Exterior equipment

Power-operated boot lid which opens and closes electrically. Opened via radio-operated remote car key, button in the driver's door or the soft-touch button in the boot-lid recess. Closed by pressing the button on the inside of the boot lid

19" x 9J '10-spoke Y' design alloy wheels

Audi parking system advanced

Long wheelbase model equipment

In addition to SE model equipment

Basic RRP
£3,304.17

Total RRP inc VAT
£3,965.00

Seats

Heated front and rear outer seats

Interior equipment

130mm of additional legroom for rear passengers

Electric blinds for rear window and for rear door windows

LED ambient lighting package, plus:

- Illumination of rear centre console, 3-colour LED

Deluxe 4-zone climate control including rear comfort centre armrest. As standard climate control plus:

- Separate air distribution and temperature controls for driver, front passenger and both sides in the rear

- Additional air conditioning controls and unit in the rear comfort centre armrest

- Residual heat utilisation – the heating system will use the heat generated from the engine to keep the car warm after the ignition has been switched off

- Footwarmer – a higher/lower temperature can be set for the footwell of the driver and passenger footwells whilst maintaining a different temperature for the main cabin area

- Indirect air regulation – once cabin is up to desired temperature, heated/cooled air is only circulated via the vents at the base of the windscreen and flows around the car meaning air is not directly blown at driver/passengers

Exterior equipment

Electric tilt-and-slide sunroof. Includes position pre-selection, tinted glass insert, variable sunshield and convenience closing

Deluxe 4-zone climate control

Electric tilt-and-slide sunroof

W12 long wheelbase model equipment

In addition to long wheelbase SE Executive model equipment

Wheels, tyres and suspension

19" x 9J '15-spoke' design partly polished alloy wheels

Audio and communication

Mobile telephone preparation – High with online services. A Bluetooth-capable mobile phone can be conveniently connected to the vehicle's UMTS module (provided the mobile telephone has a SIM Access profile). Online services through operation of MMI navigation include

- Point of interest search and navigation with the help of Google Earth images
- Weather information
- WiFi hotspots for convenient internet access using a mobile end device (e.g. laptop)*

BOSE® surround sound system. Includes

- 14 high-performance speakers including subwoofer
- Two tweeters and a centre speaker in dashboard
- Two bass modules with BOSE® Acoustic Wave speaker technology and two mid-range driver speakers in front doors
- Two mid-range drivers in doors and two tweeters in the B pillars in rear doors
- A subwoofer and two surround sound speakers in parcel shelf
- 12 channel DSP amplifier with over 600 watt output located in boot
- Surround sound reproduction from digital 5.1 recordings (DVD) and from stereo sources (CD, Radio, MP3) via the patented BOSE® Centerpoint 2 technology

- Speaker trim design with chromed plastic frames, protector and BOSE® logo

CD/DVD changer for 6 DVDs and/or CD's (MP3, WMA, AAC and WMV formats) located in the glovebox

Car phone in centre armrest

Safety and security

All-LED headlights including high beam assist. LEDs for all front lighting functions. Total of 54 LED light sources in each headlight provide lower energy consumption and enhanced contrast with a colour similar to daylight. Also includes high beam assist which automatically adjusts headlights from high-beam to dipped-beam when another vehicle is approaching

19" x 9J '15-spoke' design partly polished alloy wheels

All-LED headlights

*Online services may vary and are only available for mobile phone contracts that include a data option and only within the coverage of the mobile phone network. Additional costs to your mobile phone contract may apply.

Seats

Valcona Leather

Comfort front seats with memory function (22-way adjustable). As standard seat plus:

- Comfort look design
- Electrically adjustable upper backrest
- Electrically adjustable seat cushion depth
- Electrically adjustable comfort headrests
- Pneumatic lumbar support
- Pneumatic side bolster adjustment

Individual electrically adjustable rear seats with memory function (12-way adjustable) including:

- Electrically adjustable forwards and backwards including backrest angle
- Electrically adjustable upper backrest
- Pneumatic lumbar support with electric adjustment
- Comfort rear headrests with manually adjustable sides
- Front passenger seat adjustment from the rear

Interior comfort

Extended leather package plus

Fine Nappa leather with decorative stitching on:

- Door armrest
- Centre console
- Knee pads
- Airbag cover on steering wheel
- Bottom of door panels
- Door pockets
- Bottom of instrument panel including exterior of glove compartment
- Area surrounding the MMI

Piano black inlays in unique W12 design

Alcantara package. With headlining, A, B, C, D pillars and parcel shelf in Alcantara

Rear vanity mirror

Two additional rear reading lights

Exterior comfort

Power door closure

Laminated windshield with metal layer and viewing window for Vehicle Identification Number

Side and rear window in laminated glass

Car phone in centre armrest

Unique W12 styling

Audi exclusive

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your A8 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint

You can either select one of the standard colours shown opposite or an Audi exclusive range colour.

Standard colours

Brilliant black - A2

Ibis white - T9

Glacier white, metallic - 2Y

Ice silver, metallic - P5

Quartz grey, metallic - Q4

Oolong grey, metallic - 4N

Havanna black, metallic - 4J

Emerald black, metallic - 3G

Phantom black, pearl effect - L8

Impala beige, pearl effect - T2

Night blue, pearl effect - 7X

Options are subject to availability and may extend delivery.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP - Recommended Retail Price.

Comfort seats with ventilation in Silk beige Valcona leather

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery.* Whatever combination you decide upon, we think you'll be extremely comfortable with the result.

Chestnut brown

Jet grey

Alabaster white

Sand beige

Saddle brown

Crimson red

Magnolia white

Havanna brown

Cognac brown

Night blue

Cloudy grey

Smoky blue

Iceland green

Powder beige

Classic red

Also available:

Alcantara: available in all the Audi exclusive colours shown, except for Crimson red, Jet grey and Sand beige. Alcantara equivalents are Chilli red, Amethyst grey, and Sesame beige respectively.

Carpet: available in all the Audi exclusive colours shown.

Dashboard: available in Havanna brown, Saddle brown, Chestnut brown, Classic red, Crimson red, Jet grey, Night blue, Smokey blue and Iceland green.

Please consult your Audi Centre for examples of Alcantara and carpet colours.

*Due to safety considerations contrast stitching is not available on the dashboard/windscreen side.

KA2	Audi parking system advanced. Aids parking by acoustically and visually indicating distances to obstacles with guiding lines. Measured by sensors and reversing camera	•	S	•	S	S	£425.00	£510.00
7Y2	Audi lane assist. Uses a discreet camera mounted at the top of the windscreen to monitor the road ahead. The driver is warned with a vibration of the steering wheel if the vehicle is about to exit its lane unintentionally (at speeds over 38mph). Only in combination with 4-spoke multi-function steering wheel	•	•	•	•	•	£425.00	£510.00
PCH	Audi side assist including pre-sense rear. Aids the driver when changing lane. Audi side assist monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door and works at speeds above 19mph. If a rear collision is sensed, the upper backrest and headrest are adjusted automatically (where memory seats are fitted) to provide more protection to the seat occupant. If Comfort front seats or Comfort front Sports seats are also selected, the pneumatic bolsters are filled to provide more protection. The airbags are also pre-conditioned	•	•	•	•	•	£695.83	£835.00
PCH 7Y3	Audi side assist and Audi lane assist including pre-sense rear. Aids the driver when changing lane. Audi side assist monitors the area behind your car, using radar sensors located discreetly in the rear bumper, informing the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. The system is activated using a button in the driver's door and works at speeds above 19mph. If a rear collision is sensed, the upper backrest and headrest are adjusted automatically (where memory seats are fitted) to provide more protection to the seat occupant. If Comfort front seats or Comfort front Sports seats are also selected, the pneumatic bolsters are filled to provide more protection. The airbags are also pre-conditioned. Includes Audi lane assist functionality. Only in combination with 4-spoke multi-function steering wheel	•	•	•	•	•	£954.17	£1,145.00
PCG	Adaptive cruise control (ACC) with Stop&Go function including pre-sense front. Automatic distance regulation, using radar sensors to maintain required distance by braking and accelerating. Four programs (distance 1 to distance 4) set via steering column controls of the cruise control system. Works at speeds between 0 and 155mph and also includes Audi braking guard system which triggers a visual and acoustic alarm when the system detects the risk of a rear end collision with the vehicle in front. In addition, the airbags are pre-conditioned if a crash is sensed and the braking system is prepared to assist with the necessary braking force once the brake pedal is touched	•	•	•	•	•	£1,704.17	£2,045.00

Safety and security

Order Code		SE	SE Executive	SE long wheelbase	SE Executive long wheelbase	W12 long wheelbase	Basic RRP	Total RRP inc VAT
PCN 7Y3	Audi Assist package with pre-sense plus and Audi lane assist Includes: - Audi adaptive cruise control with Stop&Go function including pre-sense front - Audi lane assist - Audi side assist including pre-sense rear - Pre-sense plus, an expansion of the Audi braking guard, where if a collision is classified as unavoidable the brakes are applied automatically in order to minimise the impact of the collision. Only in combination with 4-spoke multi-function steering wheel (2ZS/2ZD)	•	•	•	•	•	£2,825.00	£3,390.00
9R1	Night vision assistant with pedestrian detection. A thermal imaging camera (remote infrared with resolution of 320x240 pixels) registers heat dissipation in front of the vehicle and represents this image in the 7" Driver's Information System. Image recognition software highlights people detected in the darkness and a warning bell is sounded if the system classifies them as being at risk. System operation may be restricted in too much ambient light, high humidity and high night time temperatures (over 28°C)	•	•	•	•	•	£1,704.17	£2,045.00
PXB	Adaptive light and high-beam assist. Automatically adjusts headlights from high-beam to dipped-beam when another vehicle is approaching or when other ambient lighting is detected (i.e street lights). Also includes swivelling headlights for improved illumination of a winding road, and dynamic cornering light-function. Kerb-light function is activated when indicator is switched on, steering wheel is turned considerably or 'reverse' is selected. Only works with low-beam headlights and at speeds up to 45mph. Not available in combination with all-LED headlights (PX2)	•	•	•	•	—	£695.83	£835.00
PX2	All-LED headlights including high-beam assist. LEDs for all front lighting functions. Total of 54 LED light sources in each headlight provide lower energy consumption and enhanced contrast with a colour similar to daylight. Also includes high-beam assist which automatically adjusts headlights from high-beam to dipped-beam when another vehicle is approaching	•	•	•	•	S	£1,533.33	£1,840.00

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi A8 model range and therefore subject to change and mileage/model dependent

Service Plan

Choosing an Audi Service Plan provides an easy way to cover all your car's scheduled servicing with a one-off payment. It can take care of everything from fluid and filter changes to your full service, ensuring you retain a full Audi service history. There are no servicing bills to plan for and you'll continue to benefit from today's prices for the length of your agreement.

Options are subject to availability and may extend delivery.

		-	●	£100.00	£132.00*

Order Code		A8	W12 long wheelbase	Basic RRP	Total RRP inc VAT
-	Service Plan. Comprehensive service package, valid for 3 years or 60,000 miles (whichever occurs sooner) including parts and labour charges. Servicing is provided as defined in the Audi Service Schedules. Transferable between owners (within the period of original agreement). For full details of cover and exclusions, please speak to a member of staff at your Audi Centre	●	●	£250.00	£300.00

Warranty

All new Audi models now come with a choice of a three, four or five year warranty*. What's more, if you decide to sell your Audi before the warranty expires, it will be fully transferred to the new owner. So, whichever length of warranty you choose, you can forget about unexpected repair bills and enjoy several years of carefree driving.

Options are subject to availability and may extend delivery.

- = Not available
- = Available
- S = Standard

*Three year warranty consists of a two-year unlimited mileage warranty and a third year warranty with a 60,000 mile limitation. Four year warranty consists of two-year unlimited mileage coverage, and two further year's coverage with a 75,000 mile limitation. Five year warranty consists of two-year unlimited mileage coverage, and three further year's coverage with a 90,000 mile limitation.

**Only available prior to registration of your Audi A8. Please speak to your Audi Centre for full details.

RRP - Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

*Electronically limited

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²Regulated

³Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

⁴Vehicle unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁵The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

A8 dimensions

The technical drawings opposite show the exact dimensions of the new Audi A8, so you can check everything - from whether the car will fit in your garage to whether your luggage will fit in the boot.

*Maximum headroom.

Dimensions in millimetres.

Turning circle approx 12.3 metres.

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Luggage compartment volume in litres: 500 (as measured by the VDA standard test method using 200 x 100 x 50mm blocks).

Additional information

CO₂ data and information

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km).

First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£95.00
E – 131 to 140g/km	£115.00	£115.00
F – 141 to 150g/km	£130.00	£130.00
G – 151 to 165g/km	£165.00	£165.00
H – 166 to 175g/km	£265.00	£190.00
I – 176 to 185g/km	£315.00	£210.00
J – 186 to 200g/km	£445.00	£245.00
K – 201 to 225g/km	£580.00	£260.00
L – 226 to 255g/km	£790.00	£445.00
M – over 255g/km	£1,000.00	£460.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service Schedule has fixed intervals for the Oil-change and Inspection Service that are based on

time and distance, whichever comes first. With the Audi LongLife Service Schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

Your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- ▶ Under 10,000 miles per annum – Fixed Inspection Service Schedule
- ▶ Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule		Variable LongLife Service Schedule	
	Vehicle usage:		Vehicle usage:
Mileage	Less than 10,000 miles per annum	Mileage	More than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys	Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing	Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving	Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
	Service Intervals:		Service Intervals:
Oil-change Service	Fixed to every 9,000* miles/1 year	Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years	Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
